Camp Instructor
Lisa Huntley
Head Volleyball Coach

***NJCAA Division III District C Volleyball
Coach of the Year!***

This fall, Lisa Huntley, a native of Deerfield Beach, FL., will begin her second season at the helm of the Lake Sumter Community College Lakers Volleyball Team. Last year, she coached the Lakers to a second-place finish in the Mid-Florida Conference. The second-place finish allowed her team for the first time in three years to attend and compete for the NCCAA State Volleyball Championship.

Huntley came to Lake-Sumter from Cedar Valley College, where she served as the head coach for five seasons. In 2003, her CVC volleyball team won the NJCAA Division III Women's Volleyball National Champion. During that season she was named the National Tournament, District C, and AVCA Regional Coach of the Year.

Huntley coached at Louisiana Tech University for three seasons. In her first two seasons there, she led the Lady Techsters to back to back 5th place finishes in the very competitive Sun Belt Conference. Prior to Louisiana Tech, Huntley served as an assistant coach at Southern Mississippi University for one year.

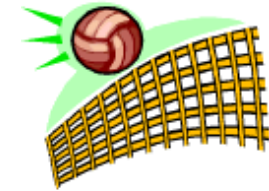

Huntley began her coaching career as an assistant at Houston Baptist University in 1991. Following her two-year stint there, she became head coach at Huston-Tillotson College, Austin, TX from fall 1993 until winter 1995. She then made the jump to the NCAA Division I level as an assistant coach at Oral Roberts University in 1996; she helped lead their team to the NCAA tournament.

Huntley earned two letters at the University of Tennessee in the early 80's. While playing for the Lady Vol's, she was named team MVP as a junior and senior, all-state her junior year, and All-Southeastern Conference her junior and senior seasons. In 1987, Lisa was invited to the United States Olympic tryouts and also played international volleyball from 1986 through 1987.

Camp Breakdown

Middle School Individual Camp

These camps are designed for girls entering 6th - 8th grade. Participants will receive individual instruction to improve their basic fundamental skills and techniques such as: serving, passing, spiking, blocking, and digging. These camps are ideal for someone who has never played volleyball or is simply seeking to improve their caliber of play.

High School Individual Camp

This camp is designed for girls entering 9th -12th grade. Participants will receive individual instruction to fine tune their skill and ability in their specialized position. The focus will be on specific fundamentals the player needs, along with an emphasis on the roles the individual would have to play on their team. This camp is great for a player who is seeking to tryout or play on their high school team.

Individual campers will be placed into groups of similar skills and ability.
