He also has 11 RBI's on the season. In addition Johnson has stolen eight bases in nine attempts. Head Coach Rich Billings says, "Josh is a very hard-nosed player and expects a lot of himself. He has done a great job of working his way into the starting lineup and is leaving his mark on the program." Johnson has also been successful in the classroom at LSCC. ## Player Profile Patricia Saldivar

This month we are bringing the softball spotlight to Patricia Saldivar. Patty played her freshman year at Edison College and now is with the Lakers for her sophomore year. During Patty's year at Edison, she had a serious injury and was forced to take many years off. Coach Golden signed Patty in the fall not only for her talent on the field but the impact she has on the girls off the field. Patty is a remarkable person who leads the team by her hard work and dedication to the sport that she loves. Being a veteran player of the sport, she brings leadership and confidence to the field and classroom. "Patty is a one of a kind person. The heart she puts towards softball and school is what we would love all of our athletes to have," says Coach Golden.
