BSC 1010C* General Biology I with Lab	4
PHY 2053C* General Physics I with Lab	5

**ELECTIVES**

21 Credit Hours

BSC 2093C* Human Anatomy & Physiology I w/Lab	4
BSC 2094C* Human Anatomy & Physiology II w/Lab	4
CHM 2045C* College Chemistry I with Lab	5
HUN 1201* Basic Nutrition	3
PET 2622 Care & Prevention of Athletic Injuries (suggested)	3
Additional elective credit hours	2

Computer proficiency course(s) requirement met **PREPARATORY COURSES**

If college placement scores indicate the need for any preparatory courses, these are to be taken before the student completes 12 college credits.

- ENC 0001 Basic Composition Skills
- ENC 0010 College Prep Composition
- MAT 0012 Pre-Algebra with Study Skills
- MAT 0024 Elementary Algebra
- REA 0001 College Prep Reading I
- REA 0002 College Prep Reading II
- SLS 1501 Foundations of Success Seminar

This A.A. Pre-Major is designed for a student who plans to transfer to a Florida public four year college or university as a junior to complete a bachelor's degree in Athletic Training.

After earning a bachelor's degree in this major at a four year university, graduates may find employment as athletic trainers for

- public and private high schools
- colleges and universities
- professional sports teams
- amateur sports teams
- sports medicine clinics
- hospitals
- health and fitness centers
- United States Olympic centers and teams

Completion of the A.A. degree guarantees admission to a Florida public university, yet does not guarantee admission to an upper division limited access program. In a limited access program, the admissions requirements are more competitive and may include criteria such as a higher grade point average, higher test scores, additional courses or prerequisites, auditions, and/or portfolios.

Students should speak with an LSCC Advisor, and consult the catalog or specific department at the university to which they plan to transfer for additional or alternate requirements.
